## **MDL Board recommends shareholders ACCEPT the Offer and ERAMET acquires more than 50% of MDL**

- The MDL Board has changed its recommendation in favour of the Offer<sup>1</sup>
- ERAMET currently holds a relevant interest in 62.90% of MDL Shares<sup>2</sup>
- Following the MDL Board's recommendation, Allan Gray intends to accept the Offer subject to no higher offers being submitted
- As ERAMET has acquired more than 50% of MDL, the Offer Period is automatically extended by 14 days and is due to close on 24 July 2018 (unless further extended)
- The offer is unconditional and the A\$1.75 cash price will be paid within 7 business days
- MDL shareholders should ACCEPT the Offer now, rather than risk remaining a minority shareholder

### **MDL Board's recommendation to ACCEPT the Offer**

ERAMET welcomes the MDL Board's unanimous recommendation that MDL shareholders accept ERAMET's Offer of A\$1.75 cash per share, as announced by MDL on 10 July 2018.<sup>1</sup>

MDL has also confirmed that each MDL Director intends to accept the Offer in respect of their own MDL shareholding.<sup>1</sup>

### **ERAMET has acquired 62.90% of MDL**

ERAMET has acquired a relevant interest in 62.90% of MDL shares.

As a result, ERAMET now holds a controlling interest in MDL and intends to replace a majority of the members of the MDL Board with its nominees. Further details are set out in the Replacement Bidder's Statement dated 14 May 2018.

ERAMET Chairman and Chief Executive Officer, Ms Christel Bories said "ERAMET is pleased that its offer has now received acceptances from the majority of MDL shareholders as well as the recommendation of the MDL Board.

We would like to take this opportunity to recognise the significant contribution from the MDL team to the development of TiZir, both prior to and since the formation of the joint venture in 2011. Throughout that time, MDL has been highly constructive and professional in its relationship with ERAMET."

<sup>1</sup> See MDL's First Supplementary Target's Statement dated 10 July 2018.

<sup>2</sup> As at 4:30pm, 11 July 2018 based on 200,026,547 shares on issue (following the conversion of the vested performance rights into shares).

## **Allan Gray intends to accept the Offer**

Following the MDL Board's recommendation of ERAMET's Offer, Allan Gray Australia Pty Ltd (**Allan Gray**) has informed ERAMET that, subject to no higher offers being submitted, it intends to accept ERAMET's Offer in respect of all the MDL Shares that it manages or controls.

Allan Gray has also confirmed that it currently manages or controls 14.05% of MDL Shares as at 11 July 2018.

Allan Gray has given, and not withdrawn before the lodgement of this document with ASIC, its written consent to be named and for the statements attributable to it to be included in the form and context in which they are included. Allan Gray has not caused or authorised the issue of this document and takes no responsibility for any part of this document other than the references to its name or the statements attributable to it.

## **Offer Period extended**

The Offer Period has been automatically extended by 14 days as a result of ERAMET's voting power in MDL increasing to more than 50%.

Therefore, the Offer Period is now scheduled to close at 7.00pm (Sydney time) on 24 July 2018 (unless further extended).

## **Remaining MDL shareholders should ACCEPT the Offer as soon as possible**

As shown by the strong momentum in acceptances, the Offer provides MDL shareholders with a number of significant benefits, including:

- an Offer Price of A\$1.75 per share, which is at a substantial premium of 59% to the one-month volume-weighted average price of MDL Shares prior to the announcement of the Offer<sup>3</sup>; and
- the certainty of cash compared to the various risks associated with an investment in MDL.

The Offer Price has also been declared final, and will not be increased, in the absence of any alternative or competing proposal in relation to MDL or TiZir.

As disclosed by MDL on 10 July 2018, no competing proposals have emerged since the announcement of the Offer on 27 April 2018.<sup>1</sup>

The Offer is unconditional and the cash consideration will be paid to accepting shareholders within 7 business days of acceptance.

Therefore, there is no reason to delay. Remaining shareholders should ACCEPT now.

Any MDL shareholders that do not accept the Offer will remain as minority shareholders if ERAMET is unable to proceed with compulsory acquisition of outstanding MDL shares.

There can be no assurance that such minority shareholders will be able to realise fair value for their investment in MDL given trading liquidity and broker coverage of MDL will likely be substantially reduced and MDL may be delisted from the ASX (in accordance with applicable laws).

## **Formal notice of extension**

A formal notice under section 624(2) of the Corporations Act in connection with the automatic extension of the Offer Period is attached to this Ninth Supplementary Bidder's Statement and will be sent to all MDL shareholders who have not accepted the Offer.

## **Additional information**

This Ninth Supplementary Bidder's Statement and an additional acceptance form will be sent to all MDL shareholders who have not accepted the Offer.

Instructions on how to accept the Offer are contained within ERAMET's Replacement Bidder's Statement which was sent to shareholders and is available online via the ASX.
